Dear Parents,

Welcome to 2015!!!

What a great start to a new year with new and returning students engaging with their learning with enthusiasm. A big welcome to our new students J osey (Year 1), Anouk, Bradley, Ryder and Kacey (Kindergarten), may this be the beginning of your life long, love of learning. Congratulations to Tom and Seth who are our 2015 school captains, we know you will make wonderful leaders and represent our school well. Already our school calendar is filling up with exciting events, today we have the Small Schools Swimming Carnival at Jugiong and Tuesday will be our Interschool Swimming Carnival with Stockinbingal. Thank you in advance to our parents who are assisting with transport to these events.

The Baldry Shield will be held on Friday 13th March and once again our P&C calls upon the community to assist with the canteen and making of slices and cakes to sell on the day. Any assistance will be greatly appreciated.

We will once again be holding a raffle and seeking donations for Easter Eggs, which will be drawn at Baldry Shield. Could all donations be dropped off to the school by the end of the week (Friday 13th February) so we may commence selling the tickets. The Baldry Shield will be our major fundraiser for 2015 so please support our school in any way you can.

Thank you.

Have a great fortnight.

Mrs Toni Daly
(Principal)
