For fantastic growth during the intensive swimming program.

Here’s your Goat.

Fact: goats make people smile. And not just when a person unwraps their gift. Goats also make people living in poverty smile. When a goat is presented to a person living in Mozambique, they know that it can breed to create more goats, provide manure for growing food and can even be sold to pay for school fees or tools.

Plenty to smile about!

Our Gift To Africa for 2016
This year the WPS students have decided to buy a goat for Africa. They have given up their “excursion funding” so that other children can be happy and secure.

Well done Students!

PRINCIPALS REPORT

Dear Parents,

This will be the last edition of our 2015 school bulletin and I would like to take the time to celebrate another successful year at Wallendbeen Public School. Congratulations to all our students who, in their own individual ways, have enjoyed many successes. We have had successes in the classroom, on the sporting field and musically. Highlights such as regional representations in swimming, athletics, cross country and rugby. Wallendbeen took home the Baldry Shield, which was a great team effort. The Kangaroo March was a huge undertaking and it was wonderful to witness a very small community band together to make a memorable event. We had the highest number of students attending the Australian Music Exam Board piano examinations with great individual success. There are many more highlights, too many to mention them all.

The school could not run at the level we run without a very dedicated team. I would like to thank our team who work tirelessly to ensure our students have the best learning environment possible. From our team of teachers to our admin, cleaning and landscaping staff; not to forget our volunteers.

The support of our parents is an integral part of our school, without the commitment and support of our parents we would not have the sense of community and family that we can happily share. A big thank you to our parents for your willingness to transport our students to a number of events. We would miss out on many great learning opportunities if we didn’t have your assistance. Our P&C are relentless in their fundraising in order to contribute to wonderful learning resources for our students. Thank you for your efforts and thank you to everyone who supports our fundraising efforts.

The staff at Wallendbeen would like to wish you all a very Merry Christmas and safe holiday. We look forward to another exciting year of learning in 2016.
